

ORDER of the ARROW

BULLETIN FROM THE NATIONAL CHIEF

February 28, 1940

To all Area Leaders:

Dear Brothers:

Despite the fact that this communication is not personalized, I hope you will give the request made herein your prompt and hearty attention.

A Regional Training Conference for Executives will be held in each Region this year and it seems desirable, in view of the great growth of the Order of the Arrow in recent years, that some place be given on these various Conferences to our program. Therefore, I am suggesting that each Area Leader write to his Regional Executive giving a review of Arrow activities in his Area during the past year referring to such items as installation of new Lodges, Fellowship meetings where held, and the response to the program as expressed by various Executives. Incorporated in this report should be a suggestion offering to speak or secure a speaker for the Regional Executive Conference on the Arrow program. In two or three cases where we have two Area Leaders in the same Region the Regional Executive will receive two or three suggestions and offers of service, but I can see no objection to that. I would appreciate it if you will send me a copy of this communication.

Two copies of our complete Lodge roster are being enclosed with this letter for your information. You may want to send one copy with the communication to the Regional Executive. Arrangement has been worked out with the Personnel Service by our Scribe, Lloyd Nelson whereby we now receive more promptly than hereto, announcements on changes in local Councils. So far as we know the list being sent you is up to date.

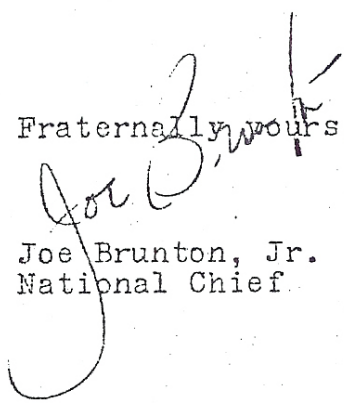

On Friday of this week a National Lodge Bulletin will be mailed out to the mailing list of all the Lodges in America. This Bulletin will give some details as to the National Meeting in September at Twin Echo near Ligonier, Pa., as well as gleanings from the Lodge reports already in. I am hopeful that we may bring out another

Bulletin in the Spring prior to Camp. Any information or suggestions for inclusion will be greatly appreciated.

I would like to express my appreciation for the loyal efforts that have been put forth by Area Leaders during the past year. The splendid condition of Lodges generally attests the leadership given by Area men.

With all best wishes, I am

Fraternally yours,

Joe Brunton, Jr.
National Chief
