

# New Section Operation

The new section operation becomes effective January 1, 1973.

The section officers are chief, vice-chief, and secretary. They must be under the age of 21 for their entire term of office. The chief is responsible for organizing and conducting the annual section conclave.

The section lay and professional

advisers are appointed annually by the area director.

The national Order of the Arrow Committee, in cooperation with Field Operations, has approved the section makeup shown below. We ask that the coding we have used not be changed. This will help us have a uniform system for the whole country.
